

**RAGE
AGAINST
THE
MOM
JEAN**

FASHION. LIFESTYLE. MOTHERHOOD.

Rage Against the Mom Jean is a place where we are going to rage against the notion that being a mom = wearing ugly clothes and being a slave to your **HIGHLY DEMANDING** offspring. Moms are much more than that.

Again, motherhood is hard. We're gonna laugh about it, and look stylish doing it.

MEET SHERRI

AN ATLANTA-BASED FASHION & LIFESTYLE BLOGGER

Rage Against the Mom Jean is an Atlanta-based blog meshing fashion + lifestyle + #momlife, created by influencer Sherri Dickens.

“Can I tell y’all a secret? Lean in close. I don’t actually hate mom jeans. And I’m really not trying to rage against them. Instead, I want to rage against the notion that moms, women of a certain age, or really just women in general shouldn’t wear certain things. Because y’all? We’re gonna wear whatever trends make us feel good.

And we’re gonna rock them.

BLOG

ABOUT THE

Motherhood is hard enough, y'all. There's absolutely no reason to resign ourselves to doing it in mom jeans. Or yoga pants. Or any of the other "I've given up on life" looks that are all too easy to throw on in the morning.

(It takes one to know one.)

RATMJ a lighthearted mashup of motherhood and stylish practicality. Because, kids just aren't gonna swing themselves. Unfortunately.

I'll also be sharing some of my more humorous (AHEM) adventures in motherhood. Like the time my daughter tried to name my son Lucifer, among other things.

P.S. If you absolutely live and die by mom jeans, don't worry! This blog's for you too. We can respect each other's fashion choices and rage against other stuff as well.
